

EEA GRANTS 2014-2021

Programme Education

A wide-angle landscape photograph of a Norwegian fjord. In the foreground, a paved road curves through a green, grassy field. To the left, a small cluster of wooden houses with dark roofs sits near the water's edge. In the middle ground, a larger village with several buildings is nestled on a hillside. The background features steep, rocky mountains under a sky filled with large, white, fluffy clouds. The lighting suggests late afternoon or early morning, with a warm glow on the clouds and mountains.
