Erasmus Student Network

- 1000+ Universities
- 530 Local Associations
- 41 Countries

Internationalization

- Having an international mindset
- Understanding other cultures
- Functioning in a multicultural environment

Erasmus+

- Erasmus doesn't just gather people in a different country, it also brings people from different countries together
- International communities in every country
- ESN is part of the International community, linking it with the local community

Services of ESN

Incoming Students:

- Eliminating fear of the unknown (**Buddy system**)
- Integrating the International community to the local (Orientation Weeks, Local events, Trips)

Services of ESN

Internationalization at home, international opportunities for local international oriented students:

- 13000 ESN Volunteers (34000 with Buddies)
- 12% average annual growth rate since 2005

Services of ESN

National Programmes, increasing the number of outgoing students:

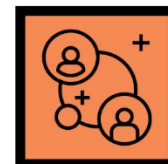

- Mov'in Europe
- Erasmus In Schools
- ExchangeAbility (MappED)

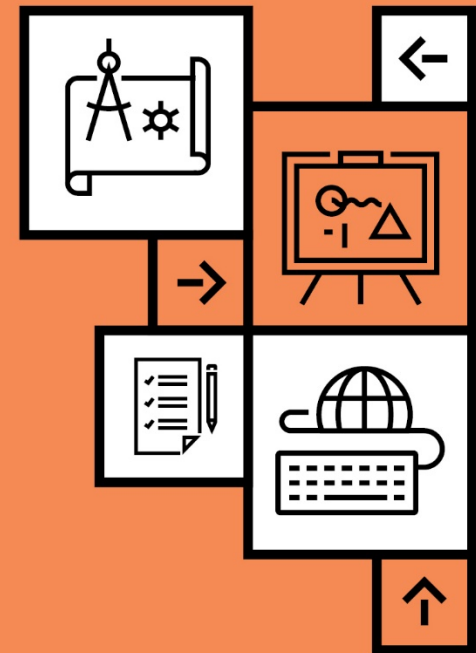

Services of ESN

Institutions:

- Voicing the needs of the International Students
- Advocating for more, better and more inclusive mobility
